JOIN US FOR A HUKILAU!

A Hukilau is a way of fishing invented by the ancient Hawaiians. A large number of people, usually family and friends, would gather and work together in casting the net from shore and then pulling it back, everyone that helped could share in the catch and the feast that followed.

The Amador County Fair is the largest community gathering in the county and a major source of fundraising for many organizations. Come out and support your neighbors working with the Rotary Club of Jackson, Jackson Lions, Rotary Club of Plymouth-Foothills, FFA Boosters, Amador Wrestlers, Argonaut Volleyball, Amador County Unified School District Basketball and Cheerleading Program, Fiddletown Community Center, Sutter Creek Church of the Nazarene, Miss Amador Scholarship Contest and countless 4-H, FFA and Grange Kids in the County.

See you at the Fair!
