

BE A CLASS SPONSOR!

Becoming a sponsor is easy and very affordable. The exhibitors, especially the children participating in the fair work very hard and deserve support from all of us. The Amador County Fair is envied in the Fair industry for the extraordinary community support and we are proud to be able to add your name to that list. If you should have any questions, please feel free to give a call to 209-245-6921. The "Entry Guide" is available on line and any class that does not presently have a sponsor name attached to it, is open for you!

Your name will be listed in the department you have sponsored.

One class = \$50. Two classes = \$90. Three classes = \$ 130 etc. or your own award, ex. a Buckle (you must purchase the buckle and deliver to the office prior to the Fair for proper distribution.) Cash premiums too.
